The thrilling sequel to Blood Song. The rain wanted to be ocean; the ice in the mountain caps wanted freedom. I never knew that water held such longing. The clouds above my head rumbled like a growling wolf, impatient to release their burden. I held the rain there a moment longer. I turned to Renata, heard her gasp and knew my eyes glowed blue. I spoke a single word. 'Rain.' In the Second Book of Lharmell, Zeraphina and Rodden must travel across the sea to find the elusive ingredients that will help them to win the coming battle against the Lharmellin - but shadows from Rodden's dark past may come back to haunt him. And while she learns to harness her new abilities, Zeraphina still fights the hunger that makes her crave the north - not to mention avoiding her mother, who wants to see her wayward daughter married to a prince at all costs.
